

Blend a Beatle-esque
disregard for genre with
intricate finger-style guitar,
tight vocals &
surprising arrangements

...and season it all
with American roots,
folk, rock, Celtic,
& World music...

Then you have the recipe
for RyvrWud's
unique brand of music

RyvrWud

RyvrWud takes you on a musical journey when you explore their world. Each song leads the listener to unexpected destinations by telling stories of relationships and evoking the spirit of places and memories along the road. From “**Love & Geography**”, to our Beatles 50th anniversary tribute “**Playing In Your Head**”, to our latest release “**Tales From The Armadillo: Vol. 1**”, each song is an expression of our love of music and our lifelong musical brotherhood.

Bend, OR resident **Tom Riopelle** is an accomplished singer/songwriter and multi-instrumentalist, who is a veteran of the Midwest & National music scenes. Tom was a founding member of the national recording group Fairchild, who signed with Gold Mountain/A&M Records. He was also a member of Lipps Inc, the platinum recording act best known for their international hit "Funkytown." Before forming **RyvrWud** with Gary, Tom worked as a manager and agent for national and regional recording acts. In the Minnesota music retrospective, "Music Legends: a Rewind of the Minnesota Music Scene," Tom was honored to be mentioned in the company of other notables like Prince, Bob Dylan, and The Replacements.

Greenville, SC resident **Gary Walbrun** is a life-long professional musician, performing with bands like Jasper, Rumour and Full Moon. With roots in folk, rock, R&B, and blues, he is a master of acoustic fingerstyle guitar and the alternate tunings that help create **RyvrWud's** unique sound. His distinctive instrumental compositions are flavored with Celtic, Spanish and acoustic jazz influences. In addition, Gary teaches guitar for a chapter of **Guitars for Vets**, a non-profit charity helping veterans troubled by PTSD and other problems to find joy in the healing power of music.
